It is the most widely spoken against in the country. Majority of the people in the country attached the issue of corruption to politicians. However, bribery and corruption **has been giving seat** in many places in the country. Bribery and corruption mostly starts at the home. Parents and children cannot **single out** in bribery and corruption. Wives always **loom** their husbands with neglect of duties if they are denial of a rightful request. Some stop communicating with their partners dues to the denial. But, as soon as their request are met , they **resume** normal duties and living. All these are forms of bribery and corruptions. Again, wives expected to **shop** for a budgeted items **bloat** the budget and pursed the top-up. These wives would go to the market with their children and the children will copy, translating into generation of bribery and corruption. These children can easily increase budgets at the work place and pocket them. Besides, as parents push the children to school, the school becomes breeding grounds for bribery and corruption. Teachers show keen interest in the wards of parents who reward them in kind. They protect and favour their children. Teachers who are not given anything during vacation become hard on children of other parents. Instead of teachers focus on their reward as salaries, they take very serious in gifts that may divert their motives. More importantly, during external examinations such as BECE, students are taught how to cheat to pass their exams. All these will make the children copy and collect bribes at the work places in the future.
