## **SECTION B**

### **COMPREHENSION(20marks)**

**Read the passage below and answer the questions.**

There was once a terrible famine in the land of animals. Food and money were scarce. Hunger made all the creatures very weak. The mother of Dinso, the tortoise, fell ill and was at the point of death. Dinso became very worried because he had no money for her funeral ceremonials. He thought and thought but did not know what to do.

At last he discovered a trick. He assembled all the animals and said to them, I am going to a distant land in search for food for all of us who are hungry. Do not send for me unless something unusual happens. The animals agreed.

Three days later Dinso's mother died. Death is not unusual and Dinso could not seat for. Discovering the trick, the elephant advised, let's tell Dinso that the palm tree bears fruits at the end of the leaves. This is unusual and should make him return quickly. The other animals welcomed the idea and thanked the elephant for the good advise and sent for Dinso. On hearing of the palm tree bearing fruits at the end of the leaves, he hastened back. When he arrived, the animals said to him 'Your mother is dead; now arrange for the funeral according to our custom. You can't deceive all the people all the time.

**Now answer the questions**

- a) What made the animals very waek? (Anger ,Hunger ,Death)
- b) What was Dinso's problem?

(The mother died, He was poor to pay for the mother's , He was sad)
